Scope of Approval

This General Approval (approval), along with the referenced application documents herein specified, shall constitute the sole approval of Recycling Center operations for Class D Recyclable Material Universal Waste – Consumer Electronics storage and process center by **Back Thru The Future Computer Recycling, Inc.** (Back Thru The Future) located in Hardyston Township, Sussex County, New Jersey. Any registration, approval or permit previously issued by the Solid and Hazardous Waste Management Program, or its predecessor agencies, for the specific activities as described below and as conditioned herein, is hereby superseded.

Regulated Activities at the Facility

Permit Requirements 1 to 39 of this approval contain the General Requirements applicable to all recycling centers. Permit Requirements 40 to 79 of this approval contain Operating Requirements for the receipt, storage, processing, or transfer of Class D recyclable materials.

Facility Description

The recycling center is a Class D Universal Waste facility operated by Back Thru The Future. The recycling center is located at One Park Drive on Lot 18.01, Block 62 in Hardyston Township, Sussex County. This regional recycling center receives consumer electronics from businesses, governments, and consumers. The recycling center operates a shredder for processing hard drives, circuit boards, cell phones and other consumer electronics.

Back Thru The Future is authorized to accept and process consumer electronics, 6:00 a.m. to 12:00 a.m. Midnight Monday through Friday and 6:00 a.m. to 6:00 p.m. Saturday and Sunday.

Back Thru The Future is also authorized for finished product storage and equipment storage as shown on the site plan. The storage areas of processed and unprocessed material will vary based on material receipt and processing rates. The recycling center markets demanufactured consumer electronics from the site.

Back Thru The Future is authorized to conduct mobile shredding operations of consumer electronics at their customer's location. Back Thru The Future is authorized to shred primarily hard drives, but may shred other data storage devices and media. The shredder, Ameri-Shred Corporation Model #AMS-2000HD, will be located on a truck and would remain on the truck during the shredding process. It has the ability to shred 700 hard drives per hour and the maximum net load capacity for the truck is 5 tons or approximately 6000 hard drives. Back Thru The Future is also authorized to operate a second mobile shredding operation of consumer electronics at their customer's location. The second shredder, Allegheny 5HD3 Hard Drive/E Scrapper Shredder, will be located on a truck and would remain on the truck during the shredding process. It has the ability to shred 400 hard drives per hour and the maximum net load capacity for the truck is 6,000 pounds or approximately 4000 hard drives. The shredded material would be transported in a closed container via the same truck to the Back Thru The Future's approved Class D recycling facility located in Hardyston Township, Sussex County, where it will be stored prior to shipment offsite to another authorized facility or to an approved end-market.

General Approval Application and Associated Documents

The registrant shall construct and operate the facility in accordance with N.J.A.C. 7:26A-1 *et seq.*, the conditions of this Approval, and the following documents:

- a. Application submitted by Back Thru The Future Computer Recycling, Inc. (Back Thru The Future) dated April 1, 2010 to operate a Class D Recycling Facility for Universal Waste at One Park Drive, Hardyston Township, New Jersey 07439.
- b. Response dated June 9, 2010 from Back Thru The Future to the June 4, 2010 Notice of Deficiency.
- c. Application for Class D approval modification to authorize Mobile Shredding of Computer Hard Drives, including Exhibits A through G, dated July 11, 2012 and submitted on behalf of Back Thru The Future by Debra Lynn Nicholson, Esquire of Nicholson & Askin, LLC.
- d. Supplementary information to the modification application was submitted as follows:
 - i. An Addendum to the application dated October 1, 2012 that provided detailed shredder information for the shredder to be used for mobile shredding operations ;
 - ii. An addendum to the application dated January 2, 2013 that included Back Thru The Future's response to Sussex County Recycling Coordinator concern regarding the management of batteries from these data storage devices and media and the need for a Spill/Cleanup Plan; and
 - iii. An addendum to the application dated February 4, 2013 that included a copy of the Air permit issued by the Department's Air Quality Permitting Element for the portable shredder.
 - iv. An addendum to the application received by the Department on April 24, 2013 regarding the management of shredded material generated through mobile shredding operations.
 - v. Application "Class D Recycling Processing Permit Modification to Authorize Mobile Shredding of Computer Hard Drives (2nd truck), Back Thru The Future Computer Recycling, Inc., 1 Park Drive, Hardyston TWP., NJ", prepared by Debra Lynn Nicholson, Esq., Nicholson & Askin LLC, dated August 15, 2014.
- e. Application for Class D General Approval Renewal with no changes, prepared and signed by Daniel F. Bayha, Vice President and Chief Financial Officer, letter dated May 18, 2015.

In case of conflict, the provisions of N.J.A.C. 7:26A-1 *et seq.* shall have precedence over the conditions of this Approval, and the conditions of this Approval shall have precedence over plans and specifications listed above.

Requirements Report

Subject Item: PI 526650 -

1. All persons issued a general approval to operate a recycling center for Class B, Class C and/or Class D recyclable material pursuant to N.J.A.C. 7:26A-1 et seq. shall comply with all conditions of the approval [N.J.A.C. 7:26A-3.1(a)]
2. The holder of this general approval shall prominently post and maintain a legible sign, at or near the entrance to the recycling center, indicating that the recycling center is an approved New Jersey Department of Environmental Protection recycling center. The sign shall also indicate the following: Hours of operation of the recycling center; Listing of the source separated materials to be received; The size, weight, or other restrictions regarding materials to be received; The maximum amount of contaminants allowed in each load; Warning that loads will be inspected and will be barred from offloading if the contaminant level is exceeded; and Notice that the person offloading shall certify the amount of material per load, municipality of origin of the material and any other information contained on the Recyclable Material Receipt Form [N.J.A.C. 7:26A-3.5(f)]
3. Application for renewal of this general approval shall be submitted at least three months prior to expiration of the current approval and shall comply with all requirements for renewal set forth in N.J.A.C. 7:26A-3.6 et seq. One copy of the application for renewal of the general approval shall be submitted by the applicant to the municipal clerk of the municipality in which the recycling center is located, and to the solid waste or recycling coordinator of the county in which the recycling center is located [N.J.A.C. 7:26A-3.6(a)]
4. The applicant for renewal of this general approval shall certify in writing to the Department that there have been no changes in the operations of the recycling center since the issuance of the general approval in order to renew the approval in its existing form. In the event that there have been changes in the operations of the recycling center or where changes are planned, the application for renewal of a general approval shall be accompanied by a written request to modify the general approval in accordance with N.J.A.C. 7:26A-3.10 [N.J.A.C. 7:26A-3.6(b)]
5. In a case where the holder of this general approval does not comply with N.J.A.C. 7:26A-3.6(a) and (b) and continues to operate without renewal of the general approval, the Department may take enforcement action including the assessment of penalties under N.J.S.A. 13:1E-9; require the holder of this general approval to file an application as a new applicant for a general approval in accordance with N.J.A.C. 7:26A-3.2 and pay the application fee as per N.J.A.C. 7:26A-2; and/or take any other appropriate actions [N.J.A.C. 7:26A-3.6(c)]
6. All persons granted a renewal pursuant to N.J.A.C. 7:26A-3.6(d) shall continue to pay the annual fee as specified in N.J.A.C. 7:26A-2 [N.J.A.C. 7:26A-3.6(h)]
7. The holder of this general approval shall obtain prior approval from the Department for any modification of the general approval [N.J.A.C. 7:26A-3.10(a)]
8. Any change affecting the conditions of this general approval requires the prior approval of the Department [N.J.A.C. 7:26A-3.10(b)1]
9. Any change to the information submitted pursuant to N.J.A.C. 7:26A-3.2(a), 3.4, 3.8, 3.18, 3.19 or 3.20 requires the prior approval of the Department, except that changes in end-market information submitted pursuant to N.J.A.C. 7:26A-3.2(a) 7 shall not require the prior approval of the Department but shall be handled in accordance with N.J.A.C. 7:26A-3.10(f). 10. The holder of this general approval shall notify the Department in writing of the intended modification and shall update the information submitted pursuant to N.J.A.C. 7:26A-3.2(a), 3.4, 3.8, 3.18, 3.19 or 3.20. The holder of this general approval shall also provide written notice to the solid waste or recycling coordinator of the applicable county of any request to modify a general approval. [N.J.A.C. 7:26A- 3.10(c)]
11. The holder of this general approval shall not institute the modification until it receives written approval from the Department [N.J.A.C. 7:26A-3.10(e)]
12. Within one week of any change to the end-market information submitted to the Department pursuant to N.J.A.C. 7:26A-3.2(a)7, the holder of this general approval shall submit to the Department a written notification which details any change in the use of the recyclable material transferred from the recycling center to an end-market or in the end-market location to which the recyclable material is transferred. The written notification shall be sent to: New Jersey Department of Environmental Protection, Division of Solid & Hazardous Waste, Bureau of Recycling and Hazardous Waste Management, 401 East State Street, P.O. Box 420, Mail Code 401-02C, Trenton, New Jersey 08625-0420. [N.J.A.C. 7:26A- 3.10(f)]
13. The Department may revoke this general approval upon a determination that the holder of the general approval has violated any provision of N.J.S.A. 13:1E-1 et seq, the New Jersey Statewide Mandatory Source Separation and Recycling Act, or any rule, regulation or administrative order promulgated pursuant to N.J.S.A. 13:1E-1 et seq. and the New Jersey Statewide Mandatory Source Separation and Recycling Act [N.J.A.C. 7:26A-3.13(a)1]
14. The Department may revoke this general approval upon a determination that the holder of the general approval has violated any solid waste utility law at N.J.S.A. 48:2-1 et seq. or 48:13A-1 et seq., or any rule, regulation or administrative order promulgated pursuant to N.J.S.A. 48:2-1 et seq. or 48:13A-1 et seq [N.J.A.C. 7:26A-3.13(a)2]
15. The Department may revoke this general approval upon a determination that the holder of the general approval has violated any provision of any laws related to pollution of the waters, air or land surfaces of the State or of any other State or Federal environmental laws including criminal laws related to environmental protection [N.J.A.C. 7:26A-3.13(a)3]
16. The Department may revoke this general approval upon a determination that the holder of the general approval has refused or failed to comply with any lawful order of the Department [N.J.A.C. 7:26A-3.13(a)4]
17. The Department may revoke this general approval upon a determination that the holder of the general approval has failed to comply with any of the conditions of this general approval issued by the Department [N.J.A.C. 7:26A-3.13(a)5]
18. The Department may revoke this general approval upon a determination that the holder of the general approval has transferred a general approval to a new owner or operator pursuant to N.J.A.C. 7:26A-3.15 without the prior approval of the Department [N.J.A.C. 7:26A-3.13(a)6]
19. The Department may revoke this general approval upon a determination that the holder of the general approval has failed to obtain any required permit or approval from the Department or other State or Federal agency [N.J.A.C. 7:26A-3.13(a)7]

20. The Department may revoke this general approval upon a determination that the holder of the general approval has committed any of the acts which are criteria for denial of a general approval set forth in N.J.A.C. 7:26A-3.12. [N.J.A.C. 7:26A- 3.13(a)8]
21. This general approval shall not be transferred to a new owner or operator without the Department's prior approval [N.J.A.C. 7:26A-3.15(a)]
22. A written request for permission to allow a transfer of this general approval must be received by the Department at least 60 days in advance of the proposed transfer of ownership or operational control of the recycling center. The request for approval shall include the following: the name, address and social security number of all prospective new owners or operators; a written certification by the proposed transferee that the terms and conditions contained in the general approval will be met by the proposed transferee; and a written agreement between the current owner or operator of the recycling center and the proposed new owner or operator containing a specific future date for transfer of ownership or operational control [N.J.A.C. 7:26A-3.15(a)1]
23. A new owner or operator may commence operations at the recycling center only after the existing approval has been revoked and a new approval is issued to the new owner or operator pursuant to N.J.A.C. 7:26A-3.5 [N.J.A.C. 7:26A-3.15(a)2]
24. The holder of this general approval remains liable for ensuring compliance with all conditions of the approval unless and until the existing approval is revoked and a new approval is issued to the new owner or operator pursuant to N.J.A.C. 7:26A-3.5 [N.J.A.C. 7:26A-3.15(a)3]
25. Compliance with the transfer requirements set forth at N.J.A.C. 7:26A-3.15 shall not relieve the holder of this general approval from the separate responsibility of providing notice of such transfer pursuant to the requirements of any other statutory or regulatory provision [N.J.A.C. 7:26A-3.15(a)4]
26. The transfer of a controlling interest in the stock or assets of the recycling center that is the subject of this general approval shall constitute a transfer of this general approval [N.J.A.C. 7:26A-3.15(b)]
27. The holder of this general approval shall maintain a daily record of the amounts of each recyclable material by type and municipality of origin which are received, stored, processed or transferred each day, expressed in tons, cubic yards, cubic feet or gallons. Those operators specifying this information in cubic yards shall also indicate the conversion ratio of the materials from cubic yards to tons [N.J.A.C. 7:26A-3.17(a)1]
28. The holder of this general approval shall maintain a daily record of the name, address and telephone number of the end-markets for all recyclable materials transported from the recycling center, including the amounts, in tons, cubic yards, cubic feet or gallons, transported to each end-market. Those persons specifying this information in cubic yards shall also indicate the conversion ratio of the materials from cubic yards to tons [N.J.A.C. 7:26A-3.17(a)2]
29. The holder of this general approval shall maintain a daily record of the amount of residue disposed of, expressed in tons, cubic yards, cubic feet or gallons, including the name and New Jersey Department of Environmental Protection solid waste registration number of the solid waste collector/hauler contracted to provide the haulage/disposal service. Those persons specifying the amount of residue in cubic yards shall also indicate the conversion ratio of the residue from cubic yards to tons. [N.J.A.C. 7:26A-3.17(a)3]

The following source separated Class D recyclable materials, which have been separated at the point of generation from other waste materials or separated at a permitted solid waste facility authorized to separate recyclable materials, may be received, stored, processed, or transferred at this recycling center: Consumer Electronics including but not limited to computers, circuit boards, printers, copiers, facsimile/fax machines, VCRs, stereos/radios, televisions, telecommunication devices, electronic peripheral devices, and the components thereof. Whole cathode ray tubes (CRTs) may be removed from Consumer electronics, but CRT glass may not be broken or ground at this facility. Broken CRT glass (aside from incidental breakage) may not be accepted at this recycling center. [N.J.A.C. 7:26A-3.5(e)]
- 59. The maximum amount of contaminants, as defined in N.J.A.C. 7:26A-1.3, allowed in each incoming load of Class D recyclable material shall be limited to 1% by volume. Incidental by-product materials shall not be considered to be contaminants. [N.J.A.C. 7:26A-3.5(e)]
- 60. The holder of this general approval shall operate the recycling center and construct or install associated appurtenances thereto, in accordance with the provisions of N.J.A.C. 7:26A-1 et seq., the conditions of this general approval, and the general approval application documents which are incorporated herein. [N.J.A.C. 7:26A-3.5(e)]
- 61. In case of conflict, the conditions of this approval shall have precedence over the general approval application documents listed above and the most recent revisions and supplemental information approved by the Department shall prevail over prior submittals and designs. [N.J.A.C. 7:26A-3.5(e)]
- 62. One complete set of the general approval application documents, this general approval, and all records, reports and plans as may be required pursuant to this approval shall be kept on file at the recycling center and shall be available for inspection by authorized representatives of the Department or delegated agents upon presentation of credentials. [N.J.A.C. 7:26A-3.5(e)]
- 63. Hours of operation for receiving, storing, processing, or transferring the source separated recyclable material shall be limited to 6:00 a.m. to 12:00 a.m., Monday to Friday, and 6:00 a.m. to 6:00 p.m. Saturday and Sunday. [N.J.A.C. 7:26A-3.5(e)]

64. Material deliveries to the recycling center shall be scheduled in such a manner as to minimize truck queuing on the recycling center property. Under no circumstances shall delivery trucks be allowed to back-up or queue onto public roads. [N.J.A.C. 7:26A-3.5(c)]
65. The recycling center may receive no more than 100 (one hundred) tons per day of the recyclable materials. [N.J.A.C. 7:26A-3.5(e)]
66. Unprocessed materials stored on-site shall be stored only in those areas designated for that purpose as indicated on the approved site plan drawing. [N.J.A.C. 7:26A-3.5(e)]
67. If at any time, the amount of unprocessed material stored on-site exceeds the storage area limitations designated on the approved site plan, the recycling center shall immediately cease receiving any unprocessed material until the amount of unprocessed material stored on-site falls below the storage area limitations designated on the approved site plan. [N.J.A.C. 7:26A-3.5(e)]
68. Unprocessed materials shall not remain on-site, in its unprocessed form, for more than one (1) year. [N.J.A.C. 7:26A- 3.9(b)]
69. Processed materials shall be stored only in those areas as designated for that purpose as indicated on the approved site plan drawings. [N.J.A.C. 7:26A-3.5(e)]
70. If at any time, the amount of processed material stored on-site exceeds the storage area limitations designated on the approved site plan, the recycling center shall immediately cease processing activities until the amount of processed material falls below the storage area limitations designated on the approved site plan. [N.J.A.C. 7:26A-3.5(e)]
71. All processed material shall be stored separately from residues. [N.J.A.C. 7:26A-3.5(e)]
72. Horizontal and vertical control points for the unprocessed and processed materials storage areas shall be set and maintained on-site. Vertical limitation markers shall be set at locations in close proximity of the storage areas and shall clearly establish an elevation height of 15 [fifteen] feet above the existing floor grade for the unprocessed storage area and 15 [fifteen] feet above the existing floor grade for the processed storage area. However, should fire safety requirements establish a lower maximum elevation height, then that height shall take precedence. Horizontal limitation markers shall be set at the corners of the storage areas as depicted on the approved site plan. [N.J.A.C. 7:26A-3.5(e)]
73. Ingress and egress of the facility shall be restricted to Park Drive only. [N.J.A.C. 7:26A-3.5(e)]
74. Fire fighting and emergency procedures shall be posted, and shall include the telephone numbers of local fire, police, ambulance, and hospital facilities. If a fire occurs on-site, the facility shall immediately notify the local fire official and report the incident to the N.J.D.E.P. Environmental Action Hotline at 1-877-927-6337. [N.J.A.C. 7:26A- 3.5(e)]
75. Any suspected or prohibited hazardous waste, as defined at N.J.A.C. 7:26G-5 and that is not also regulated as a universal waste, found in a load accepted at the recycling center shall not be returned to the generator. Such materials shall be segregated and stored in a secure manner and shall be immediately reported to the N.J.D.E.P. Environmental Action Hotline at 1-877-927-6337. The owner/operator of the recycling center shall secure the name of the collector/hauler suspected of delivering such waste to the facility and related information surrounding the incident, if available, and shall make this information known to the Department's enforcement personnel. 76. Pursuant to N.J.A.C. 7:26A-4.6(e), containers (including pallets) and above ground tanks used to store or process universal waste at processing facilities shall be labeled or marked clearly with the words: Class D Recyclable Material. If applicable the words: Universal Waste shall be included and the type of universal waste (for example: Universal Waste - Oil-based Finish). [N.J.A.C. 7:26A-4.6(e)]
77. The preparedness and prevention plan and the contingency plan contained in the approved documents must be maintained on-site and updated as necessary. [N.J.A.C. 7:26A-4.6(c)]
78. Upon detection of a release of contaminants to the environment, the facility shall perform the following cleanup steps: stop the release, contain the released contaminants, clean up and manage properly the released contaminants and other materials, and if necessary, repair or replace any leaking containment systems prior to returning them to service. [N.J.A.C. 7:26A-4.6(f)]
79. Upon closure of the facility, containers holding Class D recyclable materials or residues shall be removed from the site. The owner or operator shall remove or decontaminate recyclable materials residues, contaminated containment system components, contaminated soils, and structures and equipment contaminated with Class D recyclable materials, and manage them as hazardous waste under 40 CFR Part 261, as incorporated by reference in N.J.A.C. 7:26G-5.

Within 30 days of termination of Class D operations of the facility, the facility owner shall notify the Department of the termination in writing. Within 30 days of completion of the closure requirements listed above and/or an approved closure plan, the facility owner shall certify to the Department in writing that the facility has been properly closed.
